

RISE Participants Work the GORE-TEX Philadelphia Marathon

From November 21-23, 2014, for the third year in a row, RISE participants worked alongside the Mayor's Office of Sustainability at the GORE-TEX Philadelphia Marathon. In collaboration with the Waste Watchers volunteers, our team of 63 RISE participants assisted in the efforts to consciously sort and haul trash at the event. RISE was happy to be able to assist in the Mayor's efforts to make Philadelphia the greenest and most sustainable city in America.
